WELCOME

EXPERIENCE IT TOGETHER

A successful meeting day needs both: focused work and shared moments. That is why we offer our guests team experiences that bring people together, at the hotel as well as in the Alpine foothills between Lake Tegernsee and Lake Schliersee.

Our partner for these programmes is Erlebniszentrale (literally “experience centre”), a local event company. They design and run the activities, while we take care of everything around them: meeting rooms, catering, accommodation and one dedicated contact at the Bayerischer Hof.

Skill, communication and teamwork are what count.

On request, mulled wine, hot punch or refreshing cold drinks complete the experience. Typically Bavarian.
